

ROBE ROBIN SPIIDER

Spiider, a superbright next generation of LED WashBeam luminaires, uses 18 x 40 Watt and 1 x 60 Watt LEDs while combining it with a very efficient 12,5 :1 zoom optical system, making the product in its class the most powerful LED fixture on the market. Now equipped with Robe's innovative lens coating technology, the fixture also brings benefits such as bright and clear lenses, no scratches or marks, higher light output and longer intervals between cleaning.

The Unique Spiider also provides the beautiful convergence of hard edge in-air effects, punchy beams, and a smooth homogenized wash.

FEATURES | SPECIFICATIONS | BENEFITS

- Light Source Type: 1x 60W RGBW and 18x 40W RGBW LED multichips
- Zoom range: 4° - 50°
- Light output: 11.000 lm, 50.100 lx @ 5 m
- Variable CTO: 2.700K - 8.000K
- Virtual Colour Wheel: 66 preset swatches
- Effects: Pixel control, flower effect, virtual colour wheel, tungsten lamp effect, preprogrammed pixel effects
