Magnetic Locking

A magnetic mechanism locks the microphone into the cover of the Catchbox. This allows for easy access to electronics and batteries inside.

Custom Covers

Your brand at the center of attention. Customize the soft outside cover of the catchbox to be branded specific to your convention, meeting or special event.

Color

Choose a specific color for your personalized Catchbox (RGB value).

Visual Material

Your logo, event information or sponsorship space can be placed on two or four sides.
