

GLP IMPRESSION X4 BAR 20 LED

The impression X4 Bar 20 is a high performance batten that incorporate 15 Watt RGBW LEDs packed tightly to give a full line of light. The X4 Bar 20 uses 20 LEDs. High quality optics ensure a smooth, homogenized output across the batten through a broad pallet of pastel and saturated colors, complimented by GLP's exceptional dimming which ensures that there is no color shift, just smooth even fades. DMX control offers full pixel mapping capabilities, whilst both units feature a 7:1 zoom ranging from 7 to 50 degrees, giving effects from a narrow angle light curtain to a wide angle washlight.

The X4 Bar also features a motorized tilt, for fast refocussing or to be used to add more dynamics to the output beam. Multiple X4 Bar units can be aligned, and maintain consistent pixel spacing between adjacent units.

FEATURES | SPECIFICATIONS | BENEFITS

- LED-Type: Osram Ostar
- Lifetime (Hours): 50.000
- LED Count: 20
- LED Colors: RGBW
- Min Zoom (Deg): 7
- Max Zoom (Deg.): 50
- Resolution: 8 - 16 Bit
- Tilt (Degrees): 210°
- Mains Voltage: 100-240 VAC / 50-60Hz
- Power (Watt@230V): 550 W
- Fuse: 20mm T 8A
- Max ambient temp: 45°C / 115°F
- Length: 100 mm / 3.9 in
- Width: 1000 mm / 39.4 in
- Height (head vert): 240 mm / 9.4 in
- Weight: 16 kg / 35.3 lbs
