LMG is the on-site, preferred audiovisual supplier for the **Music City Center (MCC)**. Founded in 1984, LMG is a national provider of video, audio, lighting and LED support. With our in-depth knowledge of the facility and state-of-the-art equipment inventory, LMG is here to partner on all of your general session, breakout and exhibit audiovisual needs.

LMG supplies all our clients with the largest inventory of gear on the market. We own more than \$175 million in equipment, and are constantly adding new technology to our inventory.

# Audiovisual for the Music City Center is proudly provided by LMG
