

GLP impression X5 IP Bar 1000

OVERVIEW

The GLP impression X5 IP Bar 1000 is an IP65-rated linear LED batten featuring 18x 40W RGLB LEDs and a 4.5°–60° zoom range. It delivers powerful output with precise color rendering, thanks to GLP's iQ.Gamut calibration and advanced color control features. Designed for both indoor and outdoor use, it includes selectable white points, virtual color wheel, twin-layer effects, and fast, precise tilt movement—making it a versatile choice for dynamic stage and event lighting.
